

17 November 1960

Lakehead Amateur Radio Club

Meeting called to order at 8:40 pm in the Civil Defence Building, Fort William.

Roll call showed sixteen members and visitors present.

Minutes of the previous meeting were read and adopted on motion of George Lord - VE3BYG seconded by Dave Kimpton - VE3CFK.

Report on activities of the Northwest Ontario Net given by Bert Tamblin - VE3ANP.

Several members reported on the improved "High Q" Bulletin because of the different type of duplicator now being used. George Lord - VE3BYG suggested the use of large envelopes for the use of contributors to preserve the stencils.

A statement was presented by Bert Tamblin - VE3ANP for printing costs (of the bulletin) amounting to \$33.35. This covers the period April to November. This was approved for payment on motion of George Lord - VE3BYG, seconded by J. C. (Jim) Bailey - VE3DGZ.

George Lord - VE3BYG reported on the increasing activity of a group of students at Selkirk High School.

A visitor, Mr. R. Starchuck, reported on the activities of a local club interested in the radio control of models. President Harold Dow - VE3DBI said this was interesting information and thought the two clubs might work together for mutual benefit. Frank Start - VE3AJ proposed that a member of this Club be asked to give a talk on radio control of models.

Following the short business session the Club headed for the Government Ship-to-Shore station VBA in North McIntyre for an inspection of the equipment.

Following the visit, the members proceeded another half mile further to partake of coffee and doughnuts at (*the home of*) Frank Start - VE3AJ.

Present:

George Lord - VE3BYG,
